"God the Only Cause and Creator" is the subject of the Lesson-Sermon to be read in all Christian Science churches Sunday. The service at First Church of Christ, Scientist, 219th at Manual Avenue, begins at 11 a.m., and is open to the public.

The Golden Text, which states the theme of the Lesson, is from Isaiah: "Lord, thou wilt ordain peace for us: for thou also has wrought all our works in us."

Also included are selections from the denominational textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy. Among these is the following: "It should be thoroughly understood that all men have one Mind, one God and Father, one Life, Truth, and Love. Mankind will become perfect in proportion as this fact becomes apparent, war will cease and the true brotherhood of man will be established."

What do you tell your child about God?

Or, more important, what do you tell yourself about God?
Nothing has greater bearing on your well-being and your child's.
The confidence you have in God's love helps your child feel God's presence. It helps him gain confidence in good. And it creates an atmosphere of harmony, which is so important in any home.
The Bible, books, and periodicals in our Reading Room can help you research and prove for yourself the truth about God and man. And this can bless all the members of your family.
